

## HOLY ROSARY PRIMARY SCHOOL FEE SETTING AND COLLECTION POLICY

### Rationale:

*The Catholic Education Commission of Western Australia (CECWA) Community Policy, Executive Directive - School Fees outlines the directives for school fee setting and collection, at all Catholic schools in Western Australia, in respect of children enrolled from kindergarten through to year 12. It is designed to ensure that Catholic education in Western Australia remains an accessible and affordable choice.*

### Principles:

1. Fees and levies must reflect the financial capacity of the school's community to contribute.
2. Parents and/or guardians with limited capacity to pay school fees can request a school fee concession. Requests for fee concessions must be treated with dignity, fairness and compassion.
3. Families with eligible means tested family concession cards (Health Care Card or Pensioner Concession) have an automatic entitlement to school fee concessions.
4. Where parents have the capacity to pay fees, the collection of school fees must be actively pursued.
5. The collection of school fees shall be approached in the spirit of Christian charity and justice.
6. Financial grounds must never be the reason for the non-enrolment or exclusion of any child from a Catholic school.
7. Withholding student access from normal pastoral and curriculum provision must not be used as a fee collection strategy.
8. The confidentiality of all information pertaining to school fee arrangements with parents, guardians and students must be maintained.

### Procedures

Holy Rosary Primary School ("the School") follows the CECWA School Fee Directives as follows :

### Fee Communication

1. School fees must be announced to the school community before the end of the previous school year.
2. Fees and all discounts, including CECWA's Health Care Card Discount Scheme, must be clearly advertised and easily accessible to parents. This includes fee brochures, school websites and newsletters.
3. The principal must update the school community with any changes to school fees to reflect:
  - a. any changes arising from changes to CECWA's Directive;
  - b. any legislative changes; and
  - c. any community socio-economic considerations

4. On the application for admission, parents and/or guardians will be provided with the current year school's fee schedule
5. Acknowledgement of the fee collection procedures shall be on the application for Enrolment form which shall be signed by the parents. In the case of a sole custodial parent, one signature will suffice.
6. The following information must be available to parents relating to the school's fee procedures:
  - a) a recognition of the Church's preferential option for the poor and disadvantaged;
  - b) details of school fees as well as information relating to the discounts and fee concessions defined in CECWA's Directive;
  - c) a timeline for the payment of accounts;
  - d) a process for negotiating the method of payment and the provision of other special concessions;
  - e) debt collection procedures following non-payment, up to and including decision;
  - f) information regarding access to government assistance.
7. A full statement of fees payable for the year must be provided to each parent at the start of the school year and periodic statements (eg per term) should follow.

### **Fee Setting Process**

1. CECWA will determine the maximum total School Fee increase and communicate this to each school on an annual basis.
2. Increases to total School Fees shall not exceed the maximum increase set by CECWA.
3. Schools wishing to exceed the maximum increase in School Fees must obtain the prior written approval of the Executive Director of Catholic Education.
4. Application fees shall not exceed \$55.00 or 1% of the school annual tuition fee, whichever is the greater. Application fees are non-refundable.
5. Enrolment Deposits shall not exceed 25% of the annual tuition fee and will be refunded off the parent's account in the first semester of the year of enrolment. Enrolment deposits for students who do not commence at the school are generally not refundable but can be refunded at the discretion of the principal.
6. Kindergarten tuition fees shall be charged as a proportion of the respective Year 1 tuition fee. The specific proportion shall be equal to the FTE of the Kindergarten program that the school runs.
7. Annual School Fees must be endorsed by the School Advisory Council during the budget process annually.

### **Fee Discounts**

1. The following School Fee discounts and concessions are offered by the School:
  - a) Family discount for siblings; and
  - b) Health Care Card Tuition Fee discount;
2. The Principal may, from time to time, request financial information from parents to support applications for fee concessions or any other concessions.
3. Families with limited capacity to pay fees have the ability to request a fee concession. Requests for fee concessions shall be treated with dignity, fairness and compassion.

## Family Discount for Siblings

1. Families with siblings enrolled in Kindergarten thorough to Year 12 at the same Catholic school are entitled to a family discount as determined by the principal.
2. The School provides the following family discounts:

2nd Child enrolled	20% of that child's tuition fees
3rd child enrolled	40% of that child's tuition fees
4th child enrolled and beyond	100% of that child's tuition fees

3. Parents who receive the Health Care Card Tuition Fee discount are eligible for family discounts for siblings.

## Health Care Card Tuition Fee Discount

1. The Health Care Card Discount Scheme provides an automatic fee concession for the holders of eligible means tested family concession cards. This discount applies across all year levels, from Kindergarten to Year 12.
2. The total discounted school fees for holders of eligible means tested family concession cards are set as follows:

Kindergarten	\$300 per student
Primary (PP-year 6)	\$300 per student
Secondary (Year 7-12)	\$1500 per student

3. These school fees shall be annually reviewed by the CECWA, based on changes to the eligibility income thresholds, and shall be communicated to schools during the budget process each year.
4. Family building levies shall be charged at the corresponding percentage of the Health Care Card school fee for the eldest sibling as follows.

Kindergarten	30% of the HCC fee	\$90 per family
Primary (PP-Year 6)	30% of the HCC fee	\$90 per family
Secondary (Year 7-12)	20% of the HCC fee	\$300 per family

5. Principals may add additional charges for holders of eligible means tested family concession cards. These may be levied on a user-pays basis and could include charges associated with VET courses, camps, music lessons and other activities where there are direct and additional costs associated with such activities.
6. Principals are encouraged to keep these costs to a minimum and assist those families who encounter difficulties in meeting these additional charges.

## Fee Collection

1. Under no circumstances can a child enrolled in a school be refused on-going enrolment because their parents have not paid fees.
2. Principals must ensure school's fee procedures for fee collection are consistent with the process within CECWA's directive.
3. Schools must facilitate multiple ways and frequencies for parents to pay e.g. debit card, credit card, direct debit or bank transfer; and weekly, monthly, per term or yearly.
4. The recovery of overdue fees must be approached pastorally and sensitively, particularly if this involves legal action.
5. Principals must keep comprehensive documentation of each attempt to resolve the problems of overdue fees.
6. The following actions should be taken when collecting overdue fees:
  - a) A written communication must be sent to the parents, bringing to their attention the overdue balance.
  - b) Should there be no response within 14 days, the school should contact the parent/s by phone to discuss the overdue fees and payment options.
  - c) If an arrangement to discuss the overdue fees cannot be made, or no action results after another 14 days, a formal registered letter from the Principal should be sent to remind parents of their financial obligations. This letter should include an invitation to discuss the matter with the school and a specified timeframe for a response.
  - d) Should there be no response or action within 14 days of the letter (*Letter 1: Fee Obligations*), the Principal must send a formal registered letter with a final notice. The letter should seek payment and outline the possible outcomes if payment is not received within the specified timeframe. This could include legal action.
  - e) Should there be no response or action within 14 days of the letter (*Letter 2: Final Fee Notice*), the Principal may engage the services of a debt collection agency or a solicitor to recover overdue fees and any additional costs.
  - f) If the debt collection agent is not successful in contacting the parents or in establishing a debt repayment plan, the Principal may consider initiating court proceedings through a general procedure claim to obtain judgement. Before this is done, the Principal shall inform in writing the Executive Director of CEWA.
  - g) Before any enforcement proceedings are taken, the Principal must obtain written approval from the Executive Director of CEWA.

## Fee Payment

The Fee Payer is liable jointly and severally to pay, and agree to pay, to the School, for all fees and charges incurred in respect of that student, regardless of :

- a) any change in their personal relationship with another Fee Payer;
- b) any pre-arranged or subsequent private agreement to share or apportion payment responsibility;
- c) any Court Order or statutory direction that may apply to any signatory or the Fee Payer; and
- d) any decision by CECWA to apply a discount to another Fee Payer.

This joint and several liability includes all costs that may be incurred by the School in the recovery of fees and charges including legal action, if necessary.
