PRINCIPAL'S WELCOME

Our school is a place for exploration, imagination and investigation.

Engaging teachers are at the very heart of our school, embracing and nurturing the creativity, open hearts and natural curiosity of young people.

Children also need inspiring spaces where they can explore and imagine, potter and play. Holy Rosary has excellent facilities: nature playgrounds, a vibrant library, contemporary classrooms and sporting amenities.

We offer something for everyone: outside of class there is sport, music, choir, dance, clubs and lots of play! Each child in our care is challenged and supported according to their interests and needs.

Our embracing community warmly receives, supports and befriends new families.

Welcome to our school.

Mark de Kluyver, Principal

HOLY ROSARY SCHOOL HISTORY

Holy Rosary School, Doubleview, was blessed and opened by His Lordship, The Most Reverend J.J. Rafferty D.D. on 8 February 1959. The Parish Priest was Father Finton Campbell O.P. The School was built at the end of a bush track and when it first opened there was no electricity and no water laid on to the property. Water came from a tank on the property or was carted in. As the grounds were developed, regular busy bees were held to dig a deep well which still serves to reticulate the grounds today.

The School was staffed by Sisters of the Dominican Order and their association with the School continues to this day. The first Principal was Sr. M. Philomena O.P. followed by Pauline Clune, Sr. M. Antoninus, Sr. M. Declan, Sr. M. Dominica, Sr. M. Anthony, Sr. M. Rosarii, and Sr. Marlene Laracy O.P. The first lay Principal, Mr. Darryl Winsor was appointed in 2007.

The first classes catered for Years 1, 2 and Year 8. After Siena High School opened for girls in 1962, Holy Rosary continued teaching Primary School students from Years 1 to 7.

The School grew quickly and in the early 1960's a second building of three classrooms was added at a cost of 10,900 pounds. All the money was raised by the Parish, as there was no Government funding in those days.

The new rooms doubled as a church on weekends, with folding doors between the classrooms pushed back to allow room for the congregation. This continued until 1973 when our beautiful, Toodyay Stone Church was opened. By 1964 the School had 300 students.

The first lay teacher, Mrs. Snowdon was employed in 1964.

Holy Rosary is a Community Parish School and has enjoyed wonderful parent and community support throughout its history. From bare cement floors and few comforts, the school now has wonderful facilities. There are two streams in all grades from Kindergarten to Year Six, as well as a Special Education Unit. Here children with intellectual disabilities are taught, as well as being mainstreamed into the regular class. The school is fully air-conditioned and there is an excellent Library, Gymnasium, Hall and Oval. Playgrounds - funded and often constructed by parents - are both beautiful and engaging.

VISION STATEMENT

Holy Rosary, Doubleview is a Catholic School
founded on the Dominican tradition of truth, love
and knowledge.

The school community values the dignity of each
child and offers opportunities and challenges to
all students to reach their potential.

GOALS

At Holy Rosary School we strive to:

- Provide an environment where the Catholic faith and Christian ideals are valued.
- Provide an open and creative atmosphere where the full potential of each individual can be developed spiritually, socially, intellectually, physically and emotionally.
- Support and encourage the parents' role in the education of their children.
- Develop the child's feeling of self-worth by creating a warm and caring atmosphere where the child feels loved and secure.
- Encourage the children to be accepting of those with special needs and appreciate the contribution they can make to society.
- Encourage respect for other cultures, recognising that we are a multi-cultural community.
- Foster in the children an enjoyment of learning and a desire to develop their talents so that their lives may be enriched and that others may benefit from their achievements.

SCHOOL FEATURES

RELIGIOUS EDUCATION

We aim to provide a social learning environment where children, teachers and parents work together to foster the development of Christian attitudes and values by:

- Providing active and meaningful participation in liturgical celebration.
- Encouraging the extension of Christian living into the general community.
- Encouraging the child to develop to his or her fullest potential and to use their gifts in the service of God and mankind.
- Encouraging children to give witness to their Catholic faith.
- Providing instruction according to the Religious Education Units of work issued by the Bishops of Western Australia.

SACRAMENTAL PREPARATION

Children are prepared for the Sacrament of Penance (Reconciliation) in Year Three, Eucharist in Year Four and for Confirmation in Year Six.

Liturgical Celebrations

All children attend a class Mass each semester. These are celebrated at Our Lady of the Rosary Church. All children also attend whole school Masses at the beginning and end of each term, on Holy Days of Obligation and selected Feast days (E.g. St. Dominic's Day). SPECIALIST TEACHING AREAS

Music

The school employs a music specialist to teach music and its application to instruments and songs, from Three Year Old Kindergarten to Year Six. The classes come together for the weekly practice of liturgical music. Children also have the opportunity to perform in festivals and school assemblies. A choir, and school band have recently been formed and are involved in special events.

Languages Other Than English (LOTE) - Italian

A teacher appointed by the Italo-Australian Welfare and Cultural Centre conducts language classes for children in Kindergarten to Year Six. These lessons cover both the spoken language and Italian culture and lifestyle.

Library

The school employs a Library Administration Officer. The library is well stocked and the children are encouraged to borrow both fiction and non-fiction books on a regular basis. All children are to have a library bag to protect the books borrowed. If for any reason books are damaged or lost, parents are expected to pay for the repair or replacement of the book. Parents are always welcome to visit the school library.

Science

At Holy Rosary the children receive a weekly Science lesson, with a specialist teacher, in our Science laboratory. Over the year the children cover the four scientific areas of: Chemical, Biological, Physical and Earth and Space Science. They also complete investigations covering Science Inquiry Skills. These are done in small groups with as much “hands-on” and decision-making done by the students as possible.

Physical Education

Participation is encouraged in all aspects of sport and physical education. The school employs a Physical Education specialist who teaches a wide variety of skills during weekly lessons. Class teachers incorporate these skills into their weekly sport lessons. The goal of the program is to develop a love of physical activity in a games based teaching environment where students feel safe to develop their understandings and skills to allow them to maximise their individual potential.

Pre Primary and Year 1 – Focuses on Fundamental Movement Skills giving students the basic building blocks in locomotor, body management and object control this allows them to confidently explore a variety of different sports as they grow older.

Years 2 to 6 – Students demonstrate the fundamental movement skills and strategies for confident participation in physical activity. Students start to explore a range of sports and develop an understanding of the different skills required in each sport. Older students start to use their skills with an understanding of tactics to enhance their own or their team’s performance. This builds sound understandings of cooperation, sportsmanship and what it means to work in a team environment.

Interschool – At Holy Rosary we are also part of the CPSSA Interschool Sporting Association and this give students from Year 3 to 6 the opportunity to trial and take part in activities such as Swimming, Cross Country, Winter Sports, Triathlon and Athletics. These activities reinforce the work in the classroom and help create confident, healthy independent learners.

STUDENT ENROLMENT

RATIONALE

Catholic schools exist to further the mission of the church. In Western Australia, the Mandate of the Bishops requires the Catholic Education Commission of Western Australia to make Catholic school education available to all Catholic children, insofar, as this is possible.

PROCEDURE FOR APPLICATION FOR ADMISSION KINDERGARTEN-YEAR 6

- Complete an 'Application for Admission' form, which can be found on the school website or is available in the Office.
- A \$55.00 non-refundable registration fee per child applies upon submission of the Application form. The acceptance of an admission form does not guarantee an enrolment interview or offer of enrolment.

ENROLMENT POLICY

The Holy Rosary Enrolment Policy provides for the following enrolment priority.

1. Catholic students from the Parish (with a Parish Priest reference)
2. Catholic students from outside the Parish (with a Parish Priest reference)
3. Catholic students from the Parish (without a Parish Priest reference)
4. Catholic students from outside the Parish (without a Parish Priest reference)
5. Siblings of non-Catholic students
6. Non-Catholic students from other Christian denominations
7. Other non-Catholic students

It is the responsibility of the parent/guardian to advise the Principal of any special educational needs which the child may have.

Enrolment forms are available on the website.

CATHOLIC SECONDARY SCHOOLS

Most Holy Rosary students choose to attend Newman College and all are accepted. A separate application must be completed. Interviews are conducted in Year four for Year Seven enrolment into Newman College.

ABSENCES

Children's Attendance:

To ensure the safety of children, parents are asked to:

- Notify the school by 9.00am if a child will be absent on a particular day (notification is also required for dental and other appointments). Email is preferential as long as the email contains the full name of sender (parent/guardian) and not an abbreviated form in the address bar. Phone calls will need to be followed up with an email or signed note.

If the school has not been contacted by 9.00am an SMS will be sent to your phone requesting you contact the school to explain the absence. If children are to leave the school grounds during the day (for whatever reason) they must be signed out in the School Office by a parent/guardian in the School Office. Absentee requirements are available in full on the school website.

MEDICAL

If children are unwell they should not be sent to school. If a child becomes ill during school hours and is unable to continue at school, parents are contacted to collect their child. Please ensure that contact information is always up to date to avoid difficulties. Where possible, medication should be administered by parents outside of school hours. If this is not possible the office should be contacted and a 'Medication Request' form completed.

ACCIDENTS

When an accident occurs, parents will be contacted immediately (this does not include minor scrapes or bumps). In case of emergency an ambulance will be called when parents or the emergency contact are unavailable. (Any associated costs would be the responsibility of the parents).

STUDENT INSURANCE

Through the school's Insurer, Catholic Church Insurance, 24 hour student insurance cover is arranged. It is necessary for all children to be insured in order to receive this coverage at an extremely competitive rate, and is included in the school fees.

PARENT CONTACT INFORMATION

Throughout the year some information may become outdated. We ask your assistance in supplying the details to update the Student Information Sheet and return promptly at the beginning of the year, and that you update us regularly in the event of a change of phone number or email address.

EXCURSIONS

Excursions are arranged according to topics of study being undertaken. Parents will be notified of any excursions before they take place.

SCHOOL CAMP

Year 6 Camps at Holy Rosary School are designed to relate, wherever possible, to the school curriculum and will allow children to experience and develop skills in social behaviour, responsibility and independence, as well as provide opportunity for having a great time. Camps, which all children are expected to attend, are seen as an opportunity to build self-esteem in a pastoral and caring environment.

COMMUNITY

SCHOOL BOARD

The School Board is established to plan for the present and future operation of the school, to manage the finances associated with the school and to advise the Principal with respect to school policy that has any financial implication. The School Board is comprised of the Principal and Parish Priest (ex-officio members), four elected persons from the school community, one person nominated by the Parish Council, one person nominated by the Parents' and Friends' Association (P&F) and as many as two persons co-opted by the Board. The School Board Annual General Meeting is held in November and parents interested in assisting the school community in this area are invited to nominate for the elected positions.

HOLY ROSARY PARENTS AND FRIENDS ASSOCIATION (P & F)

The P & F plays a very important role in the life of the school. It promotes through all its activities the Catholic ethos of the school. It organises social events for the school community and raises funds for school resources. All parents are encouraged to become members of the association and are expected to support its many activities. The Annual General Meeting is held with the School Board AGM in November and committee meetings are held each month. Regular newsletters are sent home to keep parents informed of its activities.

PARENT INVOLVEMENT

Throughout the course of the year, many opportunities arise for parents to assist in a variety of school activities. Parent support and expertise is always welcome.

NEWSLETTER

A newsletter is published to our school website and a link is texted to families every Friday. This is the main line of communication between school and home. It informs parents of approaching events and any recent decisions regarding them and the school.

KINDERGARTEN

Kindergarten classes are held Tuesday, Wednesday & Thursday. Meetings are held late in the year before commencing to ensure a successful start at Holy Rosary for both children and parents.

PARENT/TEACHER COMMUNICATION

Class meetings are held early in Term One. There is a meeting for each year level at which class teachers outline the year ahead and answer any queries. Issues or queries that arise should always be discussed first with the class or curriculum area teacher. You are welcome to contact your child's teacher. We ask that you ring the office to leave a message and the teacher will contact you to arrange a time.

REPORTING

Reporting takes place with a parent teacher interview in first term, and written reports in Terms Two and Four. Parents are welcome to meet with the teacher to discuss their child's report. See Saw is an excellent App used by all classes, and provides a great opportunity to learn of what is happening in your child's class.

ASSEMBLY AND CLASS MASSES

Dates of assemblies and class masses are advised in the Term Calendar. Classes present one assembly in each year. Items are generally related to work and themes covered in class. Merit Certificates for Pre-primary to Year Six are presented at assemblies which are also listed in the calendar. We always love to share our achievements with our parent. Certificate winners are announced in the newsletter the week before the assembly.

TOYS AND SPORTS EQUIPMENT

Parents are asked to discourage their children from bringing toys and sporting equipment to school as they may be damaged or mislaid.

LOST PROPERTY

Lost property is located outside the Office. Items that are marked are returned to the rightful owner. At the end of term, unmarked clothing will be sold as second-hand uniforms. We urge parents to label all items of school clothing. On selected days, items are put on display to be claimed.

SCHOOL OF DENTAL THERAPY

Children in all grades are eligible for free dental treatment and may be enrolled if parents wish. Parents are required to take their children to the clinic for appointments. Parents must sign children out from the school office between 8.45am – 2.45pm.

BOOK LISTS

Stationery lists are available in term four. Online information will be available at that time. Resources will be packed according to items ordered. Once ordered, all items must be accepted. Parents are asked to check orders for any discrepancies.

CANTEEN

The Canteen operates each Monday, Wednesday and Friday for recess and lunch orders. Menus are distributed at the beginning of each term. Every effort is made to maintain prices at a minimum and to promote healthy eating habits. To see the current menu please access our school website. Canteen volunteers are welcomed. Online ordering is also available:

<https://quickcliq.com.au/>

SCHOOL UNIFORM

The uniform is worn by students in Years One to Six. The way the uniform is worn makes a statement about our school. At all times students are to wear the uniform with pride and respect for all that it symbolises.

Wearing of the school uniform is compulsory at school. Shirts are to be tucked in and shoes kept cleaned and in good order. Hair must be neat and styled in a manner in keeping with primary school standards. Students with hair longer than collar length are to wear their hair tied back. All hair must be clean with fringes above eyebrow length. Jewellery is limited to a watch and, if parents permit, earrings. If earrings are worn they are limited to plain gold or silver studs or sleepers and only one pair may be worn at a time – one in each ear, or not at all. **Necklaces, bracelets and rings are not to be worn** as they pose a hazard in school and sport activities. Children also get upset if they go missing or are broken. **No nail polish or makeup is to be worn.** Physical Education and sports clothes are to be worn correctly on the days set aside. Girls' netball jackets are not to be worn. School hats are worn all year round at school, whenever the students are outside.
